Poster Submission Guidelines:

Exhibits will be placed in a stand-alone frame which holds a poster sized 40 in. (h) by 30 in. (w). Please format your information to fit these dimensions! If you prefer, you may pick up the correct sized poster board at the registration table for a cost of \$5.00.

Posters can be shipped to Owens prior to the conference, or set up at the conference. Please check at the registration table for instructions on how, when and where to set up your poster exhibit.

We encourage you to provide at least 100 copies of a handout related to your exhibit for MAPS members to take home. A brochure holder of tri-fold brochure size is available with the poster stands. A table will be provided for other materials you wish to give away.

You must be a MAPS member in order to submit a poster.

Please clearly display your name, facility, address, and contact numbers so delegates may have an opportunity to follow up on your work.

Poster sessions MAY NOT be used to make sales presentations. Vendors who wish to make a sales presentation must send in the vendor registration form.
